QUESTION & ANSWERS
November 15 #46

Q. What is the Lord's Supper?

A. Christ commanded all Christians to eat bread and to drink from the cup in thankful remembrance of him and his death. The Lord's Supper is a celebration of the presence of God in our midst; bringing us into communion with God and with one another; feeding and nourishing our souls. It also anticipates the day when we will eat and drink with Christ in his Father's kingdom.

(1 Corinthians 11:23-26)
